

CONTENTS

UAS: The Global Perspective 2009/2010

Masthead	2			
Contents	3			
Preface	5			
FOREWORDS				
Eurocontrol	6	INOUI: Proposal for the Integration of UAS into Civil Airspace	113	
David McMillan, Director General				
European Aviation Safety Agency (EASA)	7	Achim Baumann, Deutsche Flugsicherung, Germany		
Patrick Goudou, Chief Executive		Certification of a Light Rotorcraft UAS	115	
European Commission		Richard Hermans, IVW (CAA), The Netherlands		
Directorate General Transport & Energy (EC DG TREN)	8	VUSIL Project: Results & Further Development	116	
Luc Tytgat, Head of the Single Sky & Modernization of ATC Unit		Andreas Udovic & Jürgen Vielhauer, Deutsche Flugsicherung, Germany		
European Defence Agency (EDA)	9	Proposals for the Regulation of UAS in Common Airspace	118	
Alexander Weis, Chief Executive		Anna Mazutti, University of Bologna & AS&T, Italy		
Federal Aviation Administration (FAA)	10	Operation of UAS in the Non-Segregated NAS	121	
Nick Peggy Gilligan, Associate Administrator for Aviation Safety		Gerald R. Sayer, US Air Force, SAF AQI, USA		
International Civil Aviation Organization (ICAO)	11	Regulation of UAS in Arctic Airspace	124	
Roberto Kobeh Gonzalez, ICAO Council President		Douglas M. Marshall, University of North Dakota, USA		
CONTRIBUTING STAKEHOLDERS				
ACUA - Australian Certified UAS Operators	13	FEATURE ARTICLES		
AIAA - American Institute of Aeronautics & Astronautics	15	Operational Experience	127	
ARCAA - Australian Research Centre for Aerospace Automation	17	BrigGen M.R. Notshweleka, South African Army Artillery Formation		
ASD - Aerospace & Defence Industries Ass. - Air4All Consortium	19	Light UAS: Potential Police Applications	130	
ASTI - Aerospace Software & Technologies Institute	21	Vaughan Clarke, Association of Chiefs of Police Officers, UK		
ASTM International Committee F38	23	Scientific UAS Missions in the Polar Regions	132	
ASTRAEA Consortium	25	Rune Storvold, Norwegian Research Institute, Norway		
AVBS - Czech Unmanned Systems Manufacturers Association	27	UAS Sense & Avoid Standards: Challenges & Progress	134	
EASA - European Aviation Safety Agency	29	Dr Andrew D. Zeitlin, The Mitre Corporation/CAASD, USA		
EMAV - European Micro UAS Competition	32	Emergency Service Use of UAS	137	
EUGIN - European Group of Institutes of Navigation	33	Pat Mika, West Midland Fire Service, United Kingdom		
EUROCAE Working Group 73 on UAS	35	Development of a National UAS Research Infrastructure & Modular UAS	140	
EUROCONTROL - Network Development	39	John Monk, Council for Scientific & Industrial Research, South Africa		
EUROCONTROL - UAS ATM Integration	40	Preparing for a Career in Commercial Unmanned Aviation	143	
ESA - European Space Agency	42	Benjamin Trapnell & Douglas Marshall		
FAA's ARC on sUAS - An Industry Point of View	43	University of North Dakota, USA		
FRONTEX - European Union Agency for Border Security	45	UAS for Mapping & Monitoring Applications	146	
ICAO UAS Study Group	47	Henri Eissenbeiss, Kris Nackaerts, Jürgen Everaerts, International Society for Photogrammetry & Remote sensing Working Group I/V		
IFALPA - International Federation of Air Line Pilots' Associations	51	GLOBAL ACCESS INITIATIVE		
JARUS - Joint Authorities for Rulemaking on Unmanned Systems	53	Global Advocacy	151	
JAXA - Japan Aerospace Exploration Agency	55	Terms & Definitions	154	
JUAV - Japan UAV Association	57	www.uvs-info.com - World's largest generic UAS web site	155	
NASA Dryden Flight Research Center	59	International Test Range Directory Initiative	157	
NATO Joint Capability Group UAV	60	UAS Yearbook Web Site Postings	158	
NMSU-PSL-TAAC	61	EVENTS		
NOAA - National Oceanic & Atmospheric Administration	63	In Memoriam	160	
Pégase Aerospace Cluster	65	2009 UAS Photo Competition Winners	161	
PLATINO	66	UVS Forum = UAS 2010 + UGV 2010 at Eurosatory	162	
RCAPA - Remote Control Aerial Photography Association	67	REFERENCE SECTION		
RTCA - Special Committee 203	69	REFERENCED UNMANNED AIRCRAFT SYSTEMS	164	
SAE International	71	<i>11 Figures (Tables & graphs)</i>		
University of North Dakota	73	UAS PRODUCERS & MODELS		
UAS Norway	74	● All Systems	170	
UAV DACH	77	● Civil/Commercial, Research & Dual Purpose UAS	198	
UAVS Association	81	● Non-Military UAS Applications (Current & Upcoming)	203	
UNITE - UAV National Industry Team	82	LAUNCHERS	207	
UVS Canada	83	ENGINES	209	
UVS France	84	PAYLOADS		
UVS International	85	● Imaging Sensors	213	
Welsh Assembly Government - ParcAberporth	94	● Non-imaging Sensors	217	
COUNTRY OVERVIEWS				
Austria	UAS & Related Activities	95	AUTOPILOTS & INERTIAL MEASURING UNITS	218
Iran	Past & Current UAS Activities	98	GENERAL INFORMATION	
Russian Federation	UAS Development	102	UVS International Members Directory	220
South Korea	UAS Development	104	List of Advertisers	224
Switzerland	UAS Development	107		
CERTIFICATION & AIRSPACE INTEGRATION				
EUROCAE WG73 Sub-Group 4 on Light UAS	112			
Ron van de Leijgraaf, EUROCAE WG73 Sub-Group 4
